

A
 I've never seen a diamond in the flesh
 I cut my teeth on wedding rings, in the movies [G D]
 And I'm not proud of my address
 in the torn up town
 No postcode envy

But every song's like:

A
gold teeth, grey goose, trippin' in the bathroom
Blood stains, ball gowns, trashin' the hotel room
 G D
We don't care - we're driving Cadillacs in our dreams

But everybody's like:

A
Cristal, Maybach, diamonds on your timepiece
Jet planes, islands, tigers on a gold leash
 G D
We don't care - we aren't caught up in your love affair

A
 And we'll never be royals - It don't run in our blood
 G D
 That kind of lux just ain't for us We crave a different kind of buzz

A
 Let me be your ruler - you can call me Queen Bee
 G D
 And baby I'll rule, I'll rule, I'll rule Let me live that fantasy

A
 My friends and I we've cracked the code
 We count our dollars on the train to the party [G D]
 And everyone who knows us knows that
 we're fine with this
 We didn't come from money

Pre-Chorus

Chorus

A
 oh ooh oh ohh
 G D
 We're bigger than we ever dreamed And I'm in love with being queen
 A
 oh ooh oh ohh
 G D
 Life's a game without a care We aren't caught up in your love affair

Chorus
