Baby come as you are with just your heart and I'll take you in  
You're rejected and hurt To me you're worth what you have within

C F Dm7 C E7 Am  
Now I don't need no superstar Cause I'll accept you as you are  
Dm7 Am/G  
You won't be denied ' cause I'm satisfied With the love you inspire

**You don't have to be a star, baby, to be in my show**  
**You don't have to be a star, baby, to be in my show**

C F Dm7 Cmaj7  
Somebody nobody knows could steal the tune that you want to hear  
So stop your running around Cause now you've found what was cloudy is clear

C F Dm7 C E7 Am  
Oh honey, there'll be no cheering from the crowd Just two hearts beating out loud  
Dm7 Am/G  
There'll be no parades, no tv or stage Only me till your dying day

C F Dm7 Cmaj7  
Don't think your star has to shine For me to find out where you're coming from  
What is a beauty queen If it don't mean I'm your number one?

C F Dm7 C E7 Am  
Oh honey, I don't need no superstar cause I'll accept you as you are  
Dm7 Am/G  
You won't be denied 'cause I'm satisfied With the love that you can inspire
