THE STORY IN YOUR EYES - (Moody Blues)

Am D
I've been thinking about our fortune
Am D
And I've decided that we're really not to blame
Am D
For the love that's deep inside us now
G C G
It's still the same

Am D
And the sound we make together
Am D
Is the music to the story in your eyes
Am D
It's been shining down upon us now
G C G
I realize

Em F#m
Listen to the tide slowly turning
G F#m F#
Wash all our heartaches away
A Bm A
We're part of the fire that is burning
G D E
From the ashes we can build another day

But I'm frightened for our children
And the lives that we are living are in vain
And the sunshine we've been waiting for
Will turn to rain

And when the final line is over
And it's certain that the curtain's gonna fall
I can hide inside your sweet sweet love
Forever more
