[A] You packed in the morning, I stared out the window
and I struggled for something to say [D]
You left in the rain without [A] closing the door
[E] I didn't stand in [E7] in your [E] way.

CHORUS
[A] Now I miss you more then I missed you before
and now where I'll find comfort God [D] knows
'Cause you [A] left me [E] just when I needed you [A] most
[D] [A] left me [E] just when I needed you [A] most

Now most every morning I stare out the window
'an I think about where you might be [D]
I've written you letters that I'd [A] like to send
[E] If you would just [E7] send one to [E] me

[A] Now I need you more then I needed before
and now where I'll find comfort God [D] knows
'Cause you [A] left me [E] just when I needed you [A] most
[D] [A] left me [E] just when I needed you [A] most
