

A G Em A 2x

G D

G D
When the rain came I thought you d leave
G D
cause I knew how much you loved the sun
G D
But you chose to stay, stay and keep me warm
G D
Through the darkest nights I ve ever known
A G
If the mandolin wind couldn t change a thing
Em A
Then I know I love ya

G D

G D
Oh, the snow fell without a break
G D
Buffalo died in the frozen fields you know
G D
Through the coldest winter in almost fourteen years
G D
I couldn t believe you kept a smile
A G
Now I can rest assured knowing that we ve seen the worst
Em A
And I know I love ya

G D

G D
Oh, I never was good with romantic words
G D
So the next few lines come really hard
G D
Don t have much but what I ve got is yours
G D
Except of course my steel guitar
A
Ha, cause I know you don t play
G
But I ll teach you one day
Em A
Because I love ya

G D 4x
A G Em A x2

G D

G D
I recall the night we knelt and prayed
G D
Noticing, your face was thin and pale
G D
I found it hard to hide my tears
G D
I felt ashamed, I felt I d let you down
A G
No mandolin wind couldn t change a thing
Em A
Couldn t change a thing no, no

A G Em A

A G Em A
La dadada la da la dadada La dadada la dada

A G Em A

A G
The coldest winter in almost fourteen years

A
And I love ya
G
