It ain't the latest thing

**G    G7            C**  
**I'm just standing in a doorway**  
**I'm just trying to make some sense**

Am                    F  
Out of these girls go passing by  
G                    C  
The tales they tell of men

**G    G7            C**  
**I'm not waiting on a lady**  
**I'm just waiting on a friend**

Am                    F  
Ooh..  
A smile relieves a heart that grieves  
G                    C  
Remember what I said

**G    G7            C**  
**I'm not waiting on a lady**  
**I'm just waiting on a friend        5 x**

**But I need someone I can cry to**  
**I need someone to protect**

Ooh..  
Making love and breaking hearts  
G                    C  
It is a game for youth

**But I'm not waiting on a lady**  
**I'm just waiting on a friend                    5x**
