

Evil Ways - Santana

Gm C

You've got to change your evil ways....ba..by.
before I stop loving you.
You've got to change...ba..by.
And every word that I say, is true.

You've got me running and hiding,
all over town.
You've got me sneaking and peeping,
and running you down.

D Gm C

This can't go on... Lord knows you got to change... ba..by.

Gm C

When I come home...ba..by.
My house is dark and my thoughts are cold.
You're hanging round...ba..by.
With Jean and Joan and who knows who.

Gm C

I'm getting tired of waiting and
fooling around,
I'll find somebody, who won't make me
feel like a clown

D Gm C

this cant go on... Lord knows you got to change.....

Gm C

When I come running and hiding all over town,
you've got me sneaking and peeping,
and running you down.

D Gm C

This can't go on... Lord knows you got to change...ba..by.

Gm C

When I come calling and asking, all over town,
you've got me searching and looking..you've made
the rounds.

D Gm C

This can't go on... Lord knows you got to change.
