

Rock You Like a Hurricane - Scorpions

E C A7 C D x8

E C
It's early morning
E Am
The sun comes out
E C
Last night was shaking
E Am
And pretty loud

E C
My cat is purring
E Am
And scratches my skin
E C
So what is wrong
E Am
With another sin

E C
The bitch is hungry
E Am
She needs to tell
E C
So give her inches
E Am
And feed her well

E C
More days to come
E Am
New places to go
E C
I've got to leave
E Am
It's time for a show

E C A7 C D E C A7 C D
Here I am, rock you like a hurricane
E C A7 C D E C A7 C D
Here I am, rock you like a hurricane

E C
My body is burning
E Am
It starts to shout
E C
Desire is coming
E Am
It breaks out loud

E C
Lust is in cages
E Am
Till the storm breaks loose
E C
Just have to make it
E Am
With someone I choose

E C
The night is calling
E Am
I have to go
E C
The wolf is hungry
E Am
He runs to show

E C
He's licking his lips
E Am
He's ready to win
E C
On the hunt tonight
E Am
For love at first sting

CHORUS 2x

E
Here I am
