

## Needles And Pins - The Searchers

I saw her today, I saw her face	It was the face I loved and I knew
I had to run away and get down on my knees and pray	That they'd go away
But still they begin	Needles and pins
D	E
Because of all my pride	The tears I gotta hide

Hey, I thought I was smart, I wanted her	Didn't think I'd do, but now I see
She's worse to him than me	Let her go ahead, take his love instead
And one day she will see Just how to say please	And get down on her knees
D	E
Yeah, that's how it begins	She'll feel those needles and pins

A-hurtin her, A-hurtin her
