

Drops Of Jupiter Chords - Train

C

Now that she's back in the atmosphere

G F

With drops of Jupiter in her hair, hey, hey

C

She acts like summer and walks like rain

G F

Reminds me that there's time to change, hey, hey

C

Since the return from her stay on the moon

G F

She listens like spring and she talks like June, hey, hey

G D

Tell me did you sail across the sun

F C

Did you make it to the Milky Way to see the lights all faded

And that heaven is overrated

G D

Tell me, did you fall for a shooting star

Dm

One without a permanent scar

And did you miss me while you were looking at yourself out there

C

Now that she's back from that soul vacation

G F

Tracing her way through the constellation, hey, hey

C

She checks out Mozart while she does tae-bo

G F

Reminds me that there's time to grow, hey, hey

C

Now that she's back in the atmosphere

G F

I'm afraid that she might think of me as plain ol' Jane

Told a story about a man who is too afraid to fly so he never did land

G D
Tell me did the wind sweep you off your feet

F C
Did you finally get the chance to dance along the light of day
And head back to the Milky Way

G D
And tell me, did Venus blow your mind

Dm
Was it everything you wanted to find

And did you miss me while you were looking for yourself out there

C
Can you imagine no love, pride, deep-fried chicken

G F
Your best friend always sticking up for you even when I know you're wrong

C G
Can you imagine no first dance, freeze dried romance five-hour phone conversation

F
The best soy latte that you ever had . . . and me

G D
Tell me did the wind sweep you off your feet

F C
Did you finally get the chance to dance along the light of day
And head back toward the Milky Way

G D
Tell me did you sail across the sun

F C
Did you make it to the Milky Way to see the lights all faded
And that heaven is overrated

G D
Tell me, did you fall for a shooting star

Dm
One without a permanent scar

And did you miss me while you were looking at yourself out there
