

(banjo, violin, guitar) ALONE - Trampled By Turtles

C F (gentle finger picking)
Come into the world alone
And you go out of the world alone
G F C
But in between there's you and me ooooh

C F
ooooohhhh
ooooohhhh
ooooohhhh
G F C
ooooohhhh

C F
The summer brings us close so tall
And the winter nights are cold so long
G F C
But in between the falling leaves ooooh

C F
ooooohhhh
ooooohhhh
ooooohhhh
G F C
ooooohhhh

SOLO (strumming **louder** + violin)
Am F C x3

Am F C
The days and nights are killing me
the light and dark are still in me
But there's an anger on defeat

C G
So let the wind blow hard
G F C
and let the falling storm ooooh

Chorus
