```
E       Bm      D       C       (x2)
```

```
E               Bm              D               C
Set me free why don't you babe? Get out my life, why don't you babe?
Cause you don't really love me, you just keep me hangin' on.
Now you don't really need me, you just keep me hangin' on.
```

```
F                               C               G
Why do ya keep a'comin' around, playin' with my heart?
F                               C                   G   Bm
Why doncha get out of my life, and let me make a new start?
D                       B7                      Em
Let me get over you, the way you've gotten over me, yeah.
```

CHORUS

```
F                               C                       G
You say although we broke up, you still just wanna be friends.
F                               C
But how can we still be friends, when seeing you only
        E
breaks my heart again?
    E7
And there ain't nothing I can do about it...
```

CHORUS

```
F                               C                       G
You claim you still care for me but your heart and soul need to be free.
F                               C                   G   Bm
And now that you've got your freedom, you want to still hold on to me.
D                               B7                  Em
You don't want me or yourself, so let me find somebody else, hey, hey.
```

```
E               Bm              D               C
Why doncha be a man about it, and set me free?
Now, you don't care a thing about me, you're just usin' me.
Go on, get out of my life and let me sleep at night.
```

```
You don't really love me, you just keep me hangin' on..        (x2)
```
