

ON THE ROAD AGAIN - Willie Nelson

E G#m
On the road again, just can't get wait to get on the road again.
F#m
I find love is makin' music with my friends.
A B E
And I can't wait to get on the road again.

E G#m
On the road again, going places that I've never been.
F#m
Seein' things that I may never see again.
A B E
And I can't wait to get on the road again.

A E
On the road again, like a band of gypsies we go down the highway
A E B
We're the best of friends, insisting that the world keep turnin' our way,
and our way.

E G#m
On the road again, just can't get wait to get on the road again.
F#m
I find love is makin' music with my friends.
A B E
And I can't wait to get on the road again.
