

A G (x3)

Get Together - The Youngbloods

A
Love is but the song we sing,
G

And fear's the way we die.

A
You can make the mountains ring,
G

Or make the angels cry.

A
Know the dove is on the wing,
G

And you need not know why.

D E
C'mon people now, smile on your brother,
A D
everybody get together, try and love one
E A G A
another right now.

A
Some will come and some will go..
G

And we shall surely pass.

A
When the one who left us here,
G

returns for us at last.

A
We are but a moments sunlight,
G
fading in the grass.

CHORUS

A
If you hear the song I sing,
G

You must understand.

A
You hold the key to love and fear,
G

All in your trembling hand.

A
Just one key unlocks them both,
G

It's there at your command..

CHORUS
