Bluest Blues - Alvin Lee

Very slowly - arpeggios

Am Em
Couldn't wait to see you Waiting by the door
Dm Am
There was no one there to meet me And your clothes were on the floor

Am Em
Sorry if I hurt you And made you cry
Dm Am
Couldn't stand to see you With another guy

F G Am
It's the bluest blues And it cuts me like a knife
It's the bluest blues Since you walked out of my life

Am Em
Couldn't really tell you How you hurt my pride
Dm Am
Something broke within me Down inside

Am Em
Never knew I loved you Till you went away
Dm Am
Now the loneliness surrounds me Every day

F G Am
It's the bluest blues Since you walked out of the door
It's the bluest blues Cause I won't see you anymore

SOLO

Am Em
Sorry if I failed you And somehow I'm to blame
Dm Am
The Bluest blues I'm feeling is a crying shame

Am Em
Just can't live without you Face another day
Dm Am
'Cause the bluest blues I'm feeling and it's here to stay

F G Am
It's the bluest blues And it cuts me to the bone
It's the bluest blues When you can't find your way home
