C#m, Dm, C#m, Dm

                    C#m
When marimba rhythms start to play
          Dm   Am Dm
Dance with me, make me sway
                      C#m
Like a lazy ocean hugs the shore
          Dm
Hold me close, sway me more

Like a flower bending in the breeze
           Dm
Bend with me, sway with ease

When we dance you have a way with me
          Dm
Stay with me, sway with me

              C
Other dancers may be on the floor
          F
Dear, but my eyes will see only you
       A
Only you have that magic technique
          Dm   A
When we sway I go weak

                C#m
I can hear the sounds of violins
          Dm
Long before it begins
             C#m
Make me thrill as only you know how
           Dm
Sway me smooth, sway me now
