

The middle - jimmy eat world

D Hey, don't write yourself off

G feel left out or looked down

D Just try your best, try everything

G tell themselves when you're

A yet. It's only in your head, ya

D on.

A you can. And don't you worry, what they

D away.

D It just takes some time, little girl, you're in the middle of the ride, everything, everything

G will be just fine, everything, everything

D will be all right, all right

D Hey, you know they're all the

G better on your own, so don't buy

D Live right now. Yeah, just be

G good enough (good enough) for someone

A same. You know you're doing

D in.

A yourself. It doesn't matter if it's

D else.

Chorus

SOLO

D Hey, don't write yourself off

G feel left out or looked down

D Just try your best, do everything

G bitter hearts are gonna

A yet. It's only in your head, ya

D on.

A you can. And don't you worry, what the

D say.
